GEORGE J. BAE,)

_____)	

On August 29, 2005, Mr. Bae was granted permission to travel to Inchon, South Korea, for treatment for emphysema and heart disease, from September 1, 2005 to September 30, 2005. On October 5, 2005, this officer received a telephone call from Mr. Bae's daughter, Jennifer Bae, who related that he father has not returned from Korea as his physician felt his health was too critical to travel. On October 31, 2005, Ms. Bae contacted this probation officer again and advised that her father's physician has discouraged his return travel to Guam because of his failing health. However, Mr. Bae insists on returning to Guam. She indicated that her father is scheduled to return in the next two weeks.

To date, Mr. Bae has satisfactorily complied with his conditions. The Court had authorized similar travel on numerous occasions, and Mr. Bae returned without incident.

In light of the above information, the Court's authorization for a travel extension is requested.

Respectfully submitted this 4TH day of November 2005.
